We can help...

Creating Confident Caregivers utilizes the Savvy Caregiver Program, a university tested program for family members caring for a loved one with dementia at home. 90 Minute sessions are held once a week for three weeks and lead by dementia care specialists. This program provides participants with information, skills and attitudes to manage stress and increase effective caregiving skills.

Topics in the three-week class include:
- Brain Behaviors
- Specific Activities for Persons with Dementia
- Basics of Dementia
- Changing in Thinking Patterns
- Communication Strategies for Caregivers
