

Valley Area Agency on Aging Registered Nurse Supports Coordinator

Job Description

Reports To: Senior Supports Coordinator
Salary Grade: TBD
Department: Community Access Services
Prepared By: Expert Human Resources, LLC
Approved By: Community Services Director

FLSA Status: Exempt
Supervisory Responsibility: No
Location: Flint, MI
Prepared Date: May 4, 2016
Approved Date: July 13, 2016

Success Goal

To be an integral component of VAAA's client services and resources, and ensure adherence to VAAA's processes and policies

Primary Function

The role of the Supports Coordinator is to inform, assist, and coordinate a variety of home and other community-based services needed by elderly and other adults to live independently in the community as they choose.

Performance Responsibilities – Essential Functions (Other duties may be assigned)

1. Performs comprehensive evaluation including assessment of the individual's unique preferences, physical, social, and emotional functioning, medication, physical environment, natural supports, and financial status. Assessments are conducted in-person at the individual's residents or other locations determined by the agency or grantor.
2. Verifies client's initial eligibility and continuous eligibility for VAAA programs.
3. Develops comprehensive client care plans, utilizing both formal and informal support services to meet the individual's identified needs emphasizing the person centered approach to establishing a care plan that documents the issues, concerns, conditions and specific supports and interventions needed.
4. Provides support to program participants and their allies to facilitate life adjustments and reinforce the participant's circle of support.
5. Provides coordination of services by various internal and external disciplines and providers to address participants' needs. This includes physicians, home care agencies, hospice, hospitals, community mental health services, etc.
6. Provides assistance with accessing Medicare, Medicaid and other third party benefits and services.
7. Arranges needed services, monitors provider delivery of services, documents care plan outcomes via telephone or via home visits, and follows-up on client health status and service delivery based on Agency policy/protocol, client choice, physical, social, and mental health needs of the client in a cost efficient and effective manner.
8. Conducts client reassessments including Medicaid re-determinations and other required paperwork based on agency and grantor's protocol and policy.
9. Ensures that all necessary paperwork including reports and other required documentation according to agency and regulatory policies and procedures, are completed and submitted in a timely manner.

Valley Area Agency on Aging

10. Promotes and builds good working relationships with staff of VAAA. Embraces mission. Works with team; assists whenever and wherever needed/required.

Qualifications

To perform this job successfully, an individual must be able to perform each essential function satisfactorily.
