Valley Area Agency On Aging — Answers, Action & Advocacy for All Things Senior — Senior Power Day

What is Senior Power Day?

Senior Power Day is an annual information event, designed to provide resources and access to information to much needed services intended to keep seniors as independent as possible in the setting of their choosing.

For over 20 years, the event has been held at Crossroads Village with unprecedented turnouts - close to 1,500 tickets were purchased in 2025.

How Can You Participate?

Each year, the seniors who attend Senior Power Day look forward to visiting the vendors in the big tent. Display tables (8 ft.) are available on a first-come, first-serve (paid) basis. Tent space is limited, so return the Reservation Form and your payment as soon as possible.

VAAA is requesting that all Vendors provide a $20 door prize. All door prizes will be included in a raffle for the seniors that will be conducted the day of the event. Please note: No raffles are allowed at the vendor tables, due to the amount of traffic and space limitations.
