HOUSING

There are a number of choices in housing for Seniors and Adults with Disabilities, for example: independent living (subsidized and unsubsidized), adult foster care, assisted living, nursing homes and homes for the aged.

When looking for adult foster care or assisted living housing opportunities, we urge you to look at homes licensed through the State of Michigan. To inquire about the status of a home's license, you can go to www.michigan.gov/dhs and click on "adult foster care" and enter the county.
